| 73190 | BRITA - Water Filter Sytem | BRITA's Marella Cool holds about 2.4 dl of hot water (including the filter cartridge and fits in all standard-sized refrigerator doors! We recommend using a water filter in most of Germany, as it reduces the carbonate hardness. Many teas only develop their full aroma and wonderful taste in soft water. |  | 17.90 € |
| 73191 | BRITA: Filter Cartridges | 6 filters at a special price - We highly recommend using a BRITA water filter in areas where water is harder, and also as this will greatly enhance the taste of your tea. Unfortunately, BRITA have once again raised their prices, and we have therefore had to do the same. Nevertheless, our price is still 20% below the recommended retail price. |  | 1 St. 6.00 € 4 St. 22.00 € 6 St. 30.00 € |
